DANGERS OF A COLD

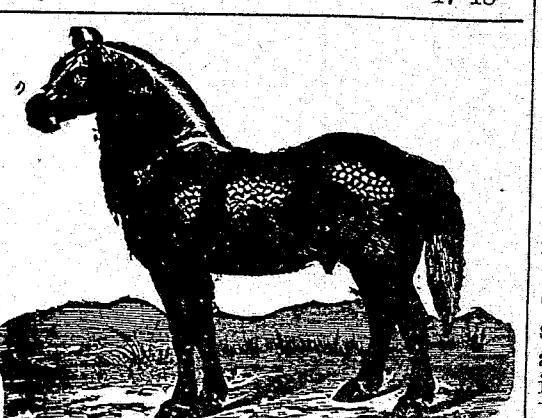

Norway People Will Do Well to Heed Them.

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Norway resident's example:

Wm. O. Needham, retired farmer, Main St., says: "At different times when I have taken cold, my kidneys have become affected. Several years ago when I felt that my kidneys needed attention, I got Doan's Kidney Pills from P. P. Stone's Drug Store. They strengthened my kidneys, ridding my system of the excess uric acid and in a short time I felt much better."

Eight years later, Mr. Needham said: "I still gladly endorse Doan's Kidney Pills. My confidence in them is as strong as ever. I occasionally use Doan's when I feel in need of them and always get fine results."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Needham had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 47-48

EAST STONEHAM
The fourth in their series of dances at K. of P. Hall was pulled off Friday evening, June 18th. Although rainy, forty-seven couples took part in the frolic, and seemed to have the time of their life. At their dance of June 4th between 50 and 60 couples attended, ladies from Oxford, South Waterford, North Waterford and West Stoneham were the lucky winners of boxes of chocolates.
The committee has arranged to have a July celebration on the evening of the 2nd with ice cream and the usual "fixings" that go with 4th of July dances. Order will consist of half fancy and half contra dances. The orchestra will be very obliging about playing encores, which seem to please the dancers. Your correspondent understands four boxes of chocolates will be awarded on Boston Fancy as usual.

A Merry Medley Of Mistakes

By M. V. F.

Mistakes are the misplays or misdeeds that by falsity or through fault or from fear are made by mortals when playing the great game of life, and our misplaying and misdealing may be merry or mournful according to results reaped. It has been said that when mortals make mistakes the immortals mourn, while demon cohorts chuckle to see life's cards "decked" and the glorious game blocked or balled—the arch-demon himself gruesomely grinning in ghoulish glee, whenever by feeble and futile means men try to make their mistakes masquerade as methods and matters meritorious. Mistakes at best are but miserable messes, yet many might be more readily condoned if they were openly confessed as such. Listen! while we list some few of the many messes and their methods of masking.

When the mechanic makes a mistake it's the fault of the machine.
When the carpenter makes a mistake it's dull tools or dead wood.
When the plumber makes a mistake it's somewhere hid in the bill.
When the metre reader makes a mistake it's indisputable truth.
When the professor makes a mistake he calls the student a dunce.
When the student makes a mistake he thinks the professor a dolt.
When the judge makes a mistake it becomes a deeply profound law.
When the lawyer makes a mistake, it is new money for an old case.
When the juror makes a mistake it's "bingo" for the "mis-taken."
When the scientist makes a mistake it's a scientific discovery.
When the layman makes a mistake it's a lie printed in the book.
When the doctor makes a mistake it's buried as wrong diagnosis.
When the surgeon makes a mistake the patient dies from "shock."
When the patient makes a mistake it's cemetery or court for him.
When the undertaker makes a mistake—the corpse doesn't care.
When the preacher makes a mistake nobody knows the difference.
When the fanatic makes a mistake Beelzebub has a hearty laugh.
When the skeptic makes a mistake it's canvassing for the devil.
When the man makes a marriage mistake he's titled as a "fool."
When the woman makes a like mistake she's jeered at as a fool.
When the pianist makes a mistake he hails the pianist as dumb.
When the singer makes a mistake he says the singer's a scrub.
When the brass-blower makes a mistake it gets by as great jazz.
When the clarinetist makes a mistake the fiddler was all wrong.
When the fiddler makes a mistake it's acoustics, heat or hall.
When the drummer makes a mistake he passes the leader a "look."
When the leader makes a mistake it's the drummer gets a "call."
When the magazine makes a mistake (?) it's a misprint of course.
When the publisher makes a mistake it's office boy or "stenog."

The above is a Medley. This has nothing to do with Melody, which can be found in all forms at **HOWE'S MUSIC AND BOOK STORE**

CAPTAIN HILL HAD TO LEAVE HIS SHIP

Could Not Walk Ten Feet Until
Tanlac Restored His Health,
He Declares

"I really could not let you go without telling of the good Tanlac has done for me, for anyone who has been benefited as I have by Tanlac should not only be willing but anxious for the sake of others to tell of it," said Captain Ernest H. Hill, 52 Chestnut St., Portland, Me., while telling of his wonderful experience to a "Tanlac representative, recently. Capt. Hill, who for ten years was captain of vessels plying between Portland and the Popular Islands of Casco Bay, is now captain of the Ben Hur, and is undoubtedly one of the most popular commanding officers of vessels in this harbor. Continuing, he said:

"For the past eight years I have been in a badly run-down condition, and before I started taking Tanlac I could hardly stand up. When I walked I would have to hold onto something to get about at all. After every meal I would be in the worst sort of misery and my appetite was so poor I had to force down every mouthful I ate. My nerves were in such bad condition I could not get to sleep at night. I would just fall back into the bed again. Lots of times I would have to open the windows and doors of my room to let in fresh air or get out of the room to let the open air in order to get my breath. In the mornings I always felt worse than when I went to bed. I kept getting worse and along toward the last I became so weak I could not do my work, and I could not walk ten feet without becoming exhausted.
"I decided to try Tanlac after everything else had failed to do me any good, and I am certainly glad I did, for I had not taken more than two bottles when I could eat anything I wanted without being troubled with gas or bloating and I felt much better in every way. Well, I continued taking it, and while I have taken only five bottles, all my troubles have been completely overcome. I feel as good as I did when I was twenty years old, and can get about as well as I ever could, and feeling so strong and full of energy my work is a pleasure to me. I sleep as sound as a child every night and never wake up until someone wakes me, and always get up feeling good. I really can't say too much for Tanlac as it has made a new man of me."

Tanlac is sold in Norway by A. L. Clark Drug Co. in West Paris by S. T. White, and by O. H. Haskell, Sweden, R. F. D. from Harrison.

South Paris
(Continued from page 1)

Newell H. Powers
Newell H. Powers, aged 23, passed away in a hospital at Lansing, Mich., Wednesday night, June 23, where a delicate operation on the head had been performed. A serious cold started an infection of the nose which spread upward into the skull. The end came suddenly as recovery was expected until the last few days.

Mr. Powers was the son of Mrs. Nellie (Porter) Powers and the late Linwood L. Powers and was born in South Paris, Sept. 27, 1897. After graduating from Paris High School he went to East Lansing, Mich., to enter the Michigan Agricultural College and had one more year before completing the course.

He volunteered for service during the war and was prepared for overseas when the armistice was signed. Mr. Powers was a member of the South Paris Congregational church, the F. and A. M. in Michigan, and the American Legion.

Beside his mother he is survived by a sister, Louise, and a brother, Gordon, all of South Paris.

The remains arrived at South Paris Saturday morning accompanied by Mr. Horne, the president of his fraternity in the college, and Mrs. Moody, mother of Mrs. Alton M. Porter, who had been in constant attendance upon Newell during his illness. The funeral was held Saturday afternoon, attended by Rev. C. W. Rogers. Delegations from the Masons and the American Legion were present.

Two Suspects Held For Grand Jury

Sheriff Harry D. Cole and Deputy Ernest P. Shaw made a haul in Gilead recently, bringing back Edward Gillard who claims Lawrence, Mass., as his home and Alfred Hartman who says Prince Edward Island is his native place.

Considerable loot was found on the pair when arrested by the South Paris officers. The property is believed to have been stolen from various places, as they are supposed to be the ones responsible for numerous bleaks and petty thefts along the Grand Trunk the past few weeks.

At a hearing before Trial Justice Albert Bennett at Gilead, probable cause was found and they were bound over for the grand jury in October. It is said Gillard admitted breaking into the homes of Ed. Swan and George Twitchell on the outskirts of South Paris and entering J. V. Purington's store at Bethel.

Mrs. W. P. Morton received word early in the week from her son, Raymond W. Penfold, at Richmond, Va., that he had been traded to the New Haven team in the Eastern League and with Mrs. Penfold would start immediately for the north. "Dutch" Penfold signed with the Richmond Club in the Virginia League early in the season and has pitched ball with marked success against old timers with wide batting experience. Several Clubs in the southern league have offered big trades for his services, but it fell to the New Haven owners to clinch the deal.

H. L. Conant of Buckfield is moving his "household goods into the Prescott bungalow on Barrows street. Mr. Conant bought the property from H. H. Tebbetts of Locke's Mills, who purchased the stand some two months ago expecting to reside here. Mr. Conant will manage the affairs of the new apple canning industry on Western Avenue.

Mrs. P. E. Barrows who attended the graduation of her daughter, Dorothy D. Wight, from the New York College for Teachers at Albany, N. Y., where the diplomas were conferred on the 21st, will return with her daughter this week. Miss Wight will remain at home for two weeks and then go to Oak Bluffs, Mass., where she has a position in a summer hotel for the rest of the season. For the next school year she will teach English and French in the high school in Florida, N. Y.

The South Paris postoffice will be changed from third to second class on July 1, according to information received by Postmaster J. A. Kenney. Increased business is given as a reason for the change which places it under civil service regulations. After that date the office will be closed tight on Sunday. The law doesn't permit a first or second class office to conduct even an accommodation business on that day.

Roy Titus has sold his meat business at Bryant's end and will move to South Paris to occupy the Porter Stearns house which he recently purchased. He expects to open a meat market here.

Oscar W. Kimball of Waterford has bought the Mrs. Mary F. Shurtleff property on Main street and will move here after haying. Mrs. Shurtleff is in California and has decided to remain another year.

Frank "Cyk" McGinley is home from Bates College and expects to go to Bethlehem, N. H., where he will work as chauffeur at a hotel during the season.

Sue Porter of Portland is spending the summer with her mother, Mrs. Ida Porter.

Shaw's Jazz Orchestra played for dancing at Odeon Hall, Bethel, Friday night. They have been engaged for the July ball at Dudley Opera House, Bryant's Pond, Friday evening.

Mr. and Mrs. Arthur K. Underwood and young son of Wesley Hills, Mass., are the guests of Mrs. Underwood's father, Leslie L. Mason.

Mrs. E. N. Haskell and two children, Nelson and Eleanor are in Denmark on a visit of two weeks with Mrs. Haskell's parents, Mr. and Mrs. A. C. Jewett.

Clarence Winslow of Boston is home for the summer. He is attending the Bentley School of Accounting and Finance.

Charles H. Howard and sons, Henry and Roland, are having a vacation in Portland. Mr. Howard's mother, Mrs. Clara Howard, accompanied them. They will also visit in Alfred and other places.

Mrs. Raymond Dunham returned Sunday from the Central Maine General Hospital, where she has been the past three weeks. She came to the Dunham home on Pine street with Mr. and Mrs. Carl Dunham and her husband in their automobile.

Mrs. John Wight has recovered to a large extent from the accident on the icy sidewalk last fall. She does her own housework and walks to the village aided by a crutch.

Frank Colby of Lowell, Mass., has been spending a few days in town calling on friends. Mr. Colby is a former resident of Norway and South Paris.

Mrs. M. W. Llewellyn of Brooklyn, N. Y., Mrs. S. B. Locke and daughter Imogene of Ogden, Utah, came this week to spend the summer with their parents, Mr. and Mrs. Benjamin Swift. Their son, L. B. Swift and wife of Bangor and V. B. Swift of Newton, Mass., will come home the last of the week for over the Fourth. Mrs. Rose Abbott of Lynn, Mass., will be at home later in the summer.

Woodworth-Austin

M. Herbert Woodworth and Myra T. Austin, both of South Paris, were united in marriage at 1:30 p. m., Tuesday, Rev. W. Rogers pastor of the Congregational Church being the officiating clergyman.

The impressive ceremony was performed on the lawn at the home of the bride, under an arch of cedar and a wedding bell made of white flowers. Only the immediate relatives of the bride and groom were present.

The bride wore white Georgette Crepe and carried red roses. Her traveling dress was blue serge. Annette L. Austin was the bridesmaid and R. Henry Woodworth a brother of the groom, was best man. The bride was given in marriage by her father.

The going way was carried along in secrecy and they nearly escaped without receiving the customary rice and other tokens. The plan was discovered at the last moment and the couple were showered with congratulations. Several placecards on their automobile distinguished the party from the ordinary pleasure seekers.

After a trip of a week they will return and reside in South Paris.

Mrs. Woodworth is the daughter of Mr. and Mrs. William S. Austin of South Paris and well known here. The groom is the son of Mr. and Mrs. W. Henry Woodworth also of this town.

Dividends are paid steadily through good times, bad times and panics, by some few companies.

Hydro-electric companies are close to the top in this class.

In 1907, when the gross earnings of the "Industrial group" fell off 50 per cent. and railroad receipts decreased 10 per cent., the earnings of gas and electric companies actually increased about 8 per cent.

One of the most stable of hydro-electric securities is the preferred stock of Central Maine Power Co. The Company serves part of a great and growing state with a product in active demand. It supplies a great number of towns and cities, mostly small; and sells its energy to a vast number of industries, highly diversified.

The rates which it charges are under the control of the Public Utilities Commission, which has placed itself on record that it will allow rates which will provide a reasonable return on the value of the property. This is a great protection to stockholders.

Considering all the talk of a "financial depression"—which gives some indication of being more talk than depression—it is well to consider, in buying securities and especially those which promise a fancy return, whether or not they will continue to pay dividends through hard times as well as good.

Then, if you consider Central Maine Preferred about the sort of a security to meet your requirements, why not send the coupon and get full information.

Feel blue

Some mental disorders, periods of depression, etc., are definite reactions from imperfect or sluggish action of the digestive organs. In these cases, 1 or 2 doses of "L.F." Atwood's Medicine will dispel the gloom and restore an active, hopeful mental condition, by removing the cause. Headache powders and unreliable tonics may give temporary relief, but the safe, natural processes that this well-known remedy set in action can have no harmful effect.

It is well to keep a generous supply on hand, and to take small doses regularly. This will improve your general condition, enable you to work better, and give a fuller enjoyment of life. There is no cheaper health insurance. Buy a large bottle today, 60 teaspoonful doses for 50 cents. "L.F." Medicine Co., Portland, Maine.
